

## Charity Gala proposed by 'AFC' the Association of the Francophone Community in Korea

Let this **2012-Event** become a symbolic gesture of humanity and a moment of generosity to serve the cause of childhood!

Join us and help us in raising funds to support the 'Hye Myeong Bo Yook Won'-Orphanage. The final aim of our project is to provide this orphanage **a media library with a study area and computer room**. We also have the pleasure to carry out this action with the help and support of our partner «Han Design Concept».

Remaining faithful to our **love for arts and music**, the French Gala promises to delight your spirit and senses through artists' performances, **sophisticated French gastronomy** and, last but not least, golden bubbles of **Champagne!**

So, **on the 18th of February 2012**, at the Grand Hyatt Hotel in Seoul, be charmed by the group '**Acronote**' and admire wonderful works of **young Korean artists**.

**A real discovery of arts** : dance, theatre, fine art, music and painting, gathering together to offer you a joyful atmosphere with a sense of mischief and fun time!

But this evening wouldn't reach its peak without a filled **dance floor** and **open bar!** So, the scene is set and all the ingredients are in place for a unique moment...

Also, grab the chance to win a wonderful 'souvenir' by participating at our big **tombola** with many first-class prizes!

Register from now on the AFC website [www.afc-online.org](http://www.afc-online.org) ! (**deadline : February 8th 2012**)
